He said when a final

Nzimande was quick to

point out that this was not an

which he would table before

â\200\234I donâ\200\231t have a mandate. I'm

In what could be interpret-
ed as an attack on ANC Youth

the appointment of nonblacks
in the economic cluster of the
Cabinet, Nzimande said there
was a narrow African chau-
vinism that threatened to
undo the kind of contribution
made by Slovo and other
progressive whites.

â\200\234We must be unapologetic

FEVERISH preparations are under way to ensure that the African National Congress (ANC) anniversary celebrations go off without heightening existing tensions within the tripartite alliance.

President Jacob Zuma kicks off the ruling party's political calendar when he delivers the party's traditional birthday message, which will be held at a rally in Kimberley on Saturday. This will be the ANC's 98th birthday celebration.

While he is likely to stick to the ANC's five-year script, which focuses on crime, jobs, education, rural development and health, all eyes will be on Zuma's ability to present and lead a united alliance.

Saturday's gathering will be the first time senior alliance leaders share a public platform since the vicious war of words between ANC Youth League president Julius Malema and leaders of the South African Communist Party (SACP). Last year Malema stormed out of the SACP's special congress in Limpopo after he was booed by some delegates.

lay basl
the spot

Malema and SACP deputy secretary-general Jeremy Cronin had traded insults in missives on nationalising mines in SA.

Some ANC insiders fear that Malema's war talk last year might result in Saturday's rally turning into an ambush for alliance leaders who

will share the stage with Zuma when

they deliver messages of support. The message that has gone out from the ANC is clear. Discipline has been stressed in the branches, but we cannot rule out that there might be elements who would want to use the event to get even, a source said.

ANC Alliance leaders clashed in public over a wide range of issues including economic policy, the role of communists in the ANC and presidential succession ending last year on a sour note when Malema issued a warning to the SACP that he would not run away from a fight.

Yesterday, the ANC provincial structures unveiled an impressive mobilisation effort which showcased senior ANC and alliance heavyweights who have been traversing the province to drum up support ahead of Zuma's appearance.

ANC national executive committee

member Fikile Mbalula, who is expected to front the anniversary rally at the weekend, has been in the Northern Cape for the past three weeks heading up the ANC's blitz in the province.

The inclusion of leftist leaders such as SACP general secretary Blade Nzimande and Congress of South African Trade Unions boss Zwelinzima Vavi in the lead-up events suggests that organisers are

keen to present a united front. But

divisions run deep and things could well go awry. Both are billed to speak at an

event at the city hall on Friday, together with ANC treasurer! Mathews Phosa.

Already the ANC Youth League has engineered parallel branding with Malema's face plastered on specially branded cars and posters put up in Kimberley, interpreted by some as efforts to garner support for Malema at the expense of Zuma who is president of the party.

January 8 is the celebration of the movement as a whole, it's not youth league effort only, another insider said.

- JI's polygamy
confuses youth

MANY thought Jacob Zuma
was treating his wives equally
when he refused to name the
first lady among them.

The nation was deceived.
Zuma knew that if he names
the first lady the others would
not enjoy state benefits.

It was expected that the tra-
ditionalists, illiterate and rural
masses would view his polygamy
as manhood, but urban masses,
professionals, Christians and
modernists will scorn his mul-

- tiple relationships. His private
matter divides the nation and the
ANC - a modern political party.

Women are an important sec-
tor who must be vocal against
polygamy, but due to patronage
they dare not criticise â\200\234ubabaâ\200\235.

-The ANCâ\200\231s first conference
after its unbanning held in Dur-
ban in 1991 adopted 30 percent
gender representation. In the
2006 January 8 Statement,
Thabo Mbeki announced 50/50
gender parity.

Zuma'sâ\200\231s views at his rape trial
exposed him as a true tradi-
tionalist. He also spoke nega-
tively against gays and lesbians
at a King Shaka celebration. He
is more traditional and conser-
vative than Chief Gatsha
Buthelezi and King Goodwill
Zwelithini.

He will be marrying Bongile
Ngema very soon. What impli-
cation does this have for the
state fiscal and role of feminists
to challenge women oppression
and exploitation in society?

He is sending the wrong mes-
sage to the youth in the era of
. HIV-Aids. The rape case and
- his 18 children exposed him as

a nonuser of condoms. Is this
the leader we need in shaping
youth sexual behaviour in a
country devastated by Aids?

SACP general secretary
Blade Nzimande says
the identities of compa-

Nzimande told guests

be known to the public.

"The companies and

The ANC was not rep-
resented at the event.
Nzimande warned

_ that the new class of

bourgeoisie, which he said had manifested itself in the form of black economic empowerment, was a threat to democracy.

He then urged party members to go out in big numbers to help grow the organisation to fight other threats – such as the mushrooming malls in the townships.

“I have heard people singing SACP songs at Nafeoc meetings. These are people who have

been retrenched and

have opened spaza shops and taverns. They cannot

survive because malls are taking their business.”

Turning to Slovo, Nzi-mande said the former leader would have been proud of the SACP’s Red October campaign which had raised the organisation’s membership to almost 100.000.

Nzimande said the party’s target was to have

in five years. Slovo’s widow, Helena Dolny, said he would have been disappointed by current media reports of

politicians misusing public money for their own personal gain.

again left red-faced over

had to endure stinging criticism
by the widow of former

he cut the luxuries of staff.

â\200\234He had clarity as a minister
over what you did with your
salary and what you did with
state money,â\200\235 she said.

She also said Slovo never
accepted invitations for free

luxury weekend breaks at game farms, as he reckoned those people might later expect favours from him.

Nzimande, who has previously apologised for acquiring the car when he became higher education minister, responded by saying Dolny's criticism was appropriate. 'We take your criticism frankly and honestly,

and with humility and with the attention that it is deserved.

'It is appropriate for you to say that, and we accept that, because it is very important when we remember someone like comrade Joe Slovo that we

don't abandon the values that have come to characterise our revolution,' he said.)

Nzimande is one of several ministers and deputies who spent exorbitantly on official cars, prompting a public outcry.

Meanwhile, began 2010 on a belligerent note when he revived the issues which had caused a spat between the so-called ANC nationalists and SACP leaders.

Nzimande warned that narrow African chauvinism threatened the 'non-racial society that Slovo had in mind.

Nzimande, without mentioning names, indirectly hit out again at ANC Youth League leader Julius Malema's complaints last year that not enough black people had been appointed to key positions governing the country's economy.

Nzimande said the liberation movement's goal of the liberation of blacks in general and Africans in particular should not be corrupted into

a narrow anti-white African
chauvinismâ\200\235.

With this, Nzimande alluded

-Nzimande:

Billy Masetlha were booed at
the SACPâ\200\231s special conference
last month. Nzimande dis-
missed as greedy those critics

SACP shrugs off revenge rumours

NICULULEKO NCANA. .

THE SA Communist Party has brushed off claims that the ANC Youth League plans to launch a verbal attack on its leaders at the ruling -party's 98th anniversary celebrations in Kimberley at the weekend.

The Times understands that there have been fears among the alliance partners that youth league president Julius Malema might use the Kimberley platform to launch a revenge attack on SACP leaders who, Malema complained last month, failed to call their members to order when he was booed at the communists' Limpopo conference.

But: SACP spokesman Malesela Maleka said: "If the youth league wants to go to an ANC rally and be

disruptive, they will be doing so on an ANC platform.

"And, as far as we know, the ANC will not allow anyone to use this important occasion to - demean alliance partners. So we are not worried."

It is understood that concern about a revenge attack on SACP leaders was sparked when it

- emerged that Malema's close ally,

ANC campaign manager Tikile Mbalula, might lead the anniversary proceedings.

Youth league spokesman Floyd Shivambu refused to divulge details of the league's message at the celebration.]

"We can't give you the contents of the speech because then there would be no point in delivering it at the weekend. Obviously, we will

speak on critical issues, such as the nationalisation of mines, education and youth development. -

Tensions between the youth league and the communists boiled over at the SACP conference when

delegates booed Malema and ANC executive member Billy Masetlha.

Malemaâ\200\231s demand that ANC secretary-general Gwede Mantashe, who is also SACP chairman, Iep-rimand the delegates â\200\234in the presence of the mediaâ\200\235 fell on deaf ears.

The ANC said yesterday it would host â\200\234the mother of all ralliesâ\200\235 in the Northern Cape, where the Congress of the People, an ANC breakaway group, has made some inroads.

The ruling party said it expected more than 50 000 people to attend the celebrations at Kimberleyâ\200\231s GWK stadium.

â\200\230Spousal oï\201lce provndes equal administrative support for all the first ladies

SALLY EVANS

PRESIDENT Jacob Zuma yesterday clarified his marital status and the roles of his wives to the country, after conflicting reports on his spouses and details of an ugly squabble in- the homestead emerged.

Following reports in The Times yesterday that two of the three first ladies were at loggerheads, the presidency released a statement clarifying the first ladiesâ\200\231 positions.

The statement read: â\200\234For the record President Zuma has three wives.â\200\235

It went on to say that Zumaâ\200\231s first wife ls Slzakele Khumalo (MaKhu-

malo) whose â\200\234area of interest is

agriculture and food security, and she runs a vegetable garden project in eNkandlaâ\200\235

His second wife is Nompumelelo Ntuli (MaNtuli) whose interests lie in â\200\234social development, and she

does a lot of work relating to assisting orphans and vulnerable childrenâ\200\235.

The most recent Mrs Zuma is Thobeka Madiba (KaMadiba) who â\200\234has a special interest in" health matters, especially work relating to the fight against cervical cancerâ\200\235.

A fourth potential wife, Bongile Ngema, is waiting in the wings. Until such â\200\230For the time as she and Zuma

on official or public engagements.

So there will be no jostling to be by the presidentâ\200\231s side, as allegedly happened after Zuma delivered his state-of-the-nation speech in Parliament last year. .-

KaMadiba apparently shoved MaNtuli aside to be closest to the president for a photoshoot.

The statement was
issued after reports of

reco Iâ\200\231d tension between two of

But there should no
further squabbles in
the pre5ldentlal household, be-
cause a â\200\234spousal officeâ\200\235 provides
equal administrative support for
each of the three first ladies.

There is also no official â\200\234first

prerogative, the statement said, to

so decideâ\200\235 â\200\224 will accompany him

Durban socialite, this week.

The Times reported that insiders
and family members confirmed the
rift between KaMadiba and his sec-
ond wife, MaNtuli, who did not
attend his latest nuptials.

The two have allegedly been inan
ugly war of attrition since they both
moved to the presidentâ\200\231s home-
stead in eNkandla, - northern

KwaZulu-Natal, a few years ago

By contrast, MaKhumalo attend-
ed both the udwendwe traditional
wedding ceremony and the recep-
tion in the evening.

Â@ WHAT'SIN A NAME

The third â\200\234first ladyâ\200\235 previously
went by the name Thobeka Mab-
hija.

She adopted the surname Mab-
hija, her motherâ\200\231s family name, be-
cause -she had grown up in her
maternal grandparentsâ\200\231 home.

Recently she took on her fatherâ\200\231s
surname, Madiba.

She will henceforth be called
Thobeka Madiba-Zuma, and affec-
tionately referred to as KaMadiba.

The Presidency added: â\200\234In the
isiZulu culture, married or adult
women whose surnames begin with

â\200\234Maâ\200\235 automatically inherit the pre-
fix â\200\234Kaâ\200\235 instead of â\200\234Maâ\200\235 to avoid

Slovo had not changed his â\200\230S old car
when he was appointed to the Cab-

in 194.

As much as Joe liked the good life, he didn't change his old car when he became a minister. He would have been distraught if he read the papers today, she said.

Nzimande said the SACP took Dolny's criticism with humility and that it was appropriate for her to make the remarks.

Sicela ukuba le midlalo ihambe
kahle.

Sinexhala kakhulu nokho
ngokuphepha kwezihambeli Zezwe
lakithi kulobu bugebengu obubi
kangaka ezweni lakithi.

Siyazi ukuthi noma sithi: â\200\234Kuhle

njalo ukuthi kuyakhuthaza ukuthi
da lapho lolu bhubhane

UMENGAMELI l wezwe uMnu
Jacob Zuma

Lokhu kusinika enkulu inselelo

njengoba leli lizwe lakithi licebile -

ngokuphindaphindiwe kaningi
kune-Uganda ephumeleleyo
ukwehlisa izinga lalolu bhubhane.

Yileyo nselelo iSizwe okumele
sibhekane nayo ngqo njengoba
kugala unyaka omusha-nje.

Phela izwe liyobhubha nxa
kuphela abantu abasha okufanele
baxhase izwe nomnotho
ngezikhwepha zabo. Kakuseyilo
iphupho-nje ukuthi nathi izinga

singalehlisa njengoba\200\231x fianti izwe
elimpofu kunaleli lakithi likwe-
nzile lokhu ngale ndlela emanga-
lisayo kangaka. Masizimisele uku-
bhekana ngqo nalolu bhubhane.

Okunye engibona kufanele
isizwe ngisigwashise ngakho nje-
ngoba kuza imidlalo yeNdebe
yoMhlaba kanobhutshuzwayo yi-
ngozi yokugwayiza.

Kuveie omunye wegembu
alihneavn enhakamisa nkuthi

ngane zethu zamantombazane

lokhu kumele kwenzelwe ukuba
lezi zivakashi ezivela emazweni
ezizobe zigeweke kuleli lizwe
zivunyelwe ngokomthetho ukuziti-
ka ngezingane zethu esezifundiswa
ukuqwayiza ngikhuluma nje.
Okuyisimanga wukuthi ezweni

_elifana naleli elinezinga

eliphakeme kangaka legciwane
lengculaza nengeulaza kungakhu-
thazwa amanyala anjengalawa
ukuba izingane zidayise ngemizi-
mba yazo.

Ngale kwalokhu, inselelo enye
ezogunya kakhulu futhi njengoba
kuza iNdebe yoMhlaba nje
wumonakalo osuwenziwe
vizidakamiswa ezinganeni zethu.

Bakithi, nakhu ziphela izingane
zethu zidakamizwa!

Njengoba kuza iNdebe
yoMhlaba kanobhutshuzwayo
siyezwa ukuthi kukhona abenza
amalungiselelo nemishini yoku-
gaya izidakamizwa ngezinga
eliphakamile kunoma yisiphi
esinye isikhathi.

Kuthiwa leli lizwe lakithi seli-
fana nefede (factory) lokukhiqiza
izidakamizwa. Lena ngenye yezi-
nselelo esingena nazo onyakeni
omusha.

* Abantu abadayisa lezi
zidakamizwa bayaziwa ngakho
masisukumeni sibambisane
namaphoyisa ukuwanika ulwazi
Iwalezi zikhohlakali ezibhubhisa
isizukulwane sethu esisha ngezi-
dakamizwa.

Enye inselelo ngeyokuphela
kwenhlonipho ebligugu elingaka
thina sikhula.

Ngisaphethe uHulumeni
waKwaZulu size senza izifundo
ngokuziphatha kahle zoBuntu-
Botho. Sithe sibeka izisekelo
zenhlonipho esizweni, kwavela-ke
ukusigxeka kwangathi senza
imfundisoze yombusazwe kepha
kungenjalo neze.

Besifundisa izingane ngisho
nangabholi abadala ezingabaziyo
abafana noMafukuzela uDkt John
Dube nabanye.

Izinewadi zokufundisa lesi sifundo ezikoleni zethu besizenzelwa nguSolwazi Sibusiso Nyembezi.

Ukuphela kwenhlonipho yikho okuyisisekelo sobugebengu obungaka ezweni lakithi.

Lokhu kwathi nhlo ngifundise isizwe ngokuzisiza nokuzethemba. Ngisho kudalo ukuthi nxa singasukumi sizenzele izinto ngeke

isizwe sethemba ukuthi siyophuma

enkingeni yobuphofu obungaka

nokungagashwa kwabanye bethu. Ngizamile nkufundisa isizwe

ukuba silime nokuba senze izinto
