Mr. Oliver Tambo
President
African National Congress

Dear Mr. President:

A heartfelt 'thank you' for your part in the long struggle toward Africa's total freedom. For those of us who are followers of the Rt. Excellent Marcus Mosiah Garvey, it has been a long struggle since there were two free countries on the continent of Africa -- Ethiopia and Liberia. There were times when a vision of a post liberated Africa was nonexistent. Yet, today, Africans at home and abroad are anxiously awaiting the day when Azania, or whatever name is chosen, is listed on the worlds' maps and globes and the healing process begins.

Toward that end we are proposing an African World Skills and Exhibition Conference. The rationale for same is enclosed.

This letter comes to ask if you will advise us on the validity of the concept and how we can structure the effort to enhance the growth of Azania and the surrounding countries in the post liberation era.

Please let us hear from you at your earliest convenience.

Sincerely,

H. E. Wesley, Jr.
