Dear Mr. Tikly,

SUBJECT : ANC/92/002 - ANC POST SECONDARY TRAINING PROGRAMME .

Your letter of 5th May, 1993 on this programme has been received.

I am herewith enclosing my monitoring mission report covering  
students studying in the United Republic of Tanzania.

I am also enclosing a copy of the draft project document in  
which you will find out students studying outside the United  
Republic of Tanzania.

To my knowledge no monitoring Mission has so far been undertaken  
in Nigeria this year to reveal the precise list of students  
in Nigeria may be our Headquarters have a more recent list  
than this.

I am also enclosing a copy of the Monitoring Mission report  
in the United Republic of Tanzania to determine the Primary  
and Secondary School pupils studying here. A Monitoring Mission  
is to be undertaken in June (next month) to Lusaka, Maputo  
and Uganda.

It is a pity that you will have already written your report  
by the time the Mission report is out. However, when it is  
out I shall immediately send you a copy.

Yours sincerely,

h

R. J. MWINUKA

NATIONAL PROGRAMME OFFICER.
