20th May, 1988.

The Secretary-General,
Comrade A. Nzo,
A.N.C. LUSAKA.

Dear comrade S.G.,

re: Request of Mrs Mtimkulu for her son,
Junior Mtimkulu, to be allowed to come
to live with her in Zimbabwe.

The above-named lady is a member of the A.N.C. who lives in Bulawayo in Zimbabwe. She lost her husband about 2 years ago. She has then approached me to request through my office that her son, Junior, who is completing a theoretical General Certificate in Engineering (GCE) in Dar Es Salaam, should be allowed to join her in Bulawayo.

Junior was formerly a member of the Dar Es Salaam office staff. After working for 2 years as a receptionist he then asked permission to do part time studies. I permitted him and he has been doing well academically. He will complete this certificate in November, 1988.

He is the eldest son of the late Mtimkulu and the mother has many other children. The family has some properties or certain business assets and apparently she needs Junior in the management of family matters.

She struck me as not very well healthwise, tense and almost nervous. As Junior is not involved in any serious work except his studies I feel he should be allowed to join his mother and family. Junior is married with two children. He and his family could travel by train and bus to Zimbabwe at the end of this year if you acquiesce to the request of his mother. I recommend that the application be approved.
