Dear Comrade Alfred,

We wish to advise that a symposium on "HISTORY OF DECOLONIZATION: Southern Africa: Horn of Africa" is to be held in Warsaw from 9 to 13 October, 1978. It is being organised by the Polish authorities in collaboration with UNESCO. The latter hopes that the symposium will contribute to the implementation of its project on the General History of Africa.

Of interest is that, the theme of the proposed symposium falls within the main objectives of our Movement. We therefore recommend that a person of sufficient knowledge in this subject should be nominated to represent our Organisation.

We also propose that the different departments and organs to whom copies of this letter are addressed should immediately forward their nominations directly to you. We shall only act on the single name that will be decided upon by your Working Committee.

However, we have to urge the Comrades to bear in mind the time factor and therefore, to treat this matter with the urgency it deserves in order to enable us to process travel arrangements for our delegate timeously.

AMANDLA - MAATLA!!!
