Dear Comrade Molefe,

I am writting to acknowledge receipt of you fax message of February 5, 1993, indicating to us the composition of the A.N.C. delegation, expected to arrive in Windhoek during the last week of February, to share experiences on election with SWAPO officials.

I am happy to inform you Comrades that, our Party is ready to receive the delegation in accordance with the proposed shedule. However, we are very sorry to inform you Comrades that, the Regional and Local elections left our Party in difficult financial position. It is for this reasons that, we would like to inform you that, our Party will take care of Transport of the Comrades throughout their stay as well as the hall of the seminar. But we are unable to take care of the accommodation and food expenses.

With Comradely salutations and best wishes for the season.

Yours in Comradeship,
