MEETING WITH ATHLETICS- KENNAWAY HOTEL
EAST LONDON- 11 JULY 1990

ATTENDEES: Messrs B. De Lacey; M. Gehagen; J. Burgess; D. Malan;
M. George; M. Tyamzashe; A. Stofile; S. Ngonyama.

PURPOSE: i. For Mr De Lacey to put up a slide presentation
wherein he proposed an Athletics model for the
whole country.

ii. For the NSC to endorse the model and participate
in the proposed Steering Committee.

HIGHLIGHTS OF PRESENTATION

The key points in the presentation were:

- i. a need to involve players in the administration of athletics
- ii. a need for a controlling body for Road Running, Track and Field,
cross country

DISCUSSION

The NSC saw its role as facilitating the unification process in
Track & Field seeing that Road Running whom they would be meeting
shortly was representative of all Road runners, in the country.

The NSC would contact all those involved in Track& Field administration and invite them to unity talks as soon as the money for expenses involved and a formal request from the S.A. Track and Field, was made available to them. The NSC did not see the establishment of a controlling body for Roadrunning, Track and Field and Cross Country as a priority at the moment.

CLOSURE

The meeting was closed at 21h30 and all remaining participants were invited to dinner by Mr De Lacey.
