**CONFERMENT OF THE DEGREE OF  
DOCTOR OF SCIENCE  
HONORIS CAUSA UPON**

**PHILLIP ALEXANDER CLANCEY**

PHILLIP ALEXANDER CLANCEY was born and educated in the Glasgow area of Scotland. He began his career as an ornithologist very early in life. His professional career in that field was however delayed first by War service — from 1939 till the end of 1945 — mainly in the Sicilian and Italian sector, in the 5th Survey Regiment, and then by a dearth of suitable museum openings in the immediate post-war world.

It was the famous explorer and writer, Col. Richard Meinertzhagen who first gave Clancey his chance, by inviting him to join an expedition to Arabia and Africa in 1948. With that invaluable experience behind him, he entered the museum profession in 1949, at Scarborough.

Happily for this country and this province, Clancey accepted the curatorship of the Natal Museum in 1950, and in 1952 he transferred to Durban as Director of our Museum and Art Gallery. There he has built up the museum's collection of birds virtually from scratch, to approximately 33 500 — most of them skinned, prepared and mounted by himself. The painted backgrounds which are such a well known feature of the bird display cases, are largely Clancey's own work — as indeed are many of the display cases themselves. In addition, not a year seems to have passed without an expedition somewhere in Africa, to collect more specimens.

Clancey's list of publications is prodigious. Even if one omits his more youthful achievements and begins with his publication at the age of 19, "The description of a new race of Wren", he has well over 400 papers to his name, most of them under his sole authorship. His books on birds, with their wonderful illustrations, are known and admired throughout the world of bird lovers; indeed it may be said that his work is appreciated more overseas than it is in South Africa. Nevertheless, he has already been honoured in this country with the Presidency of the South African Museums Association and of the South African Ornithological Society, of which body he is an Honorary Life Member. In 1973 the Society awarded him its Gill Memorial Medal, for services to African Ornithology. His overseas honours include the Fellowship of the Museums Association, London, and he is Corresponding Fellow of the American Ornithologists Union.

As Director of the Durban Museum and Art Gallery for 30 years, Clancey's responsibilities and contributions have of course not been confined to the field of ornithology, in which he has so distinguished himself as a scientist. He has guided, administered and developed an important cultural centre in our midst, with a sure hand, if not without controversy. In spite of perennial lack of funds, Clancey has made the domain over which he presides one of which Durban may be justifiably proud.

The University is proud therefore to honour Phillip Alexander Clancey not only for his outstanding and widely acclaimed contributions to African ornithology, but also for his untiring, and largely unrecognised, services to fellow-scientists and the whole Durban community, and as guardian of so much of Durban's scientific and cultural heritage.

## UNIVERSITY PRAYER

### Oremus:

Oremus pro hac Universitate:

Deus Omnipotens, cuius aeternam gloriam caeli stellis fulgentibus semper enarrant, duc nos, oramus, eisdem stellis ut omnes qui in hac Universitate gubernant, doceant et discant vera humilitate aeternam inveniant veritatem.

O Deus, Lux Mundi, Sapientia Aeterna, qui illuminat omnem hominem in mundum venientem, da ut haec Universitas, veritatem et lucem docens, thesauros scientiae plenos imperpetuat, et quasi lucerna luceat in terra nostra efficiatque populo cor sapiens, mentem sanam et voluntatem iustam.

Recordemur coram Deo Conditores et Benefactores nostros:

Magnus es et laudabilis valde, Domine, Omnipotens Deus animarum et omnis carnis! Gratias tibi et laudem agimus pro omnibus illis Conditoribus, Benefactoribus et Praeceptoribus qui ex hac vita excesserunt in Tuo servitio; opere in terra consummato requiescant in pace.

Et da, Domine ut nos, exemplo eorum incitati, bonum eorum opus fideliter continuemus.

### Let us pray:

Let us pray for this University:

Almighty God, whose everlasting glory the heavens declare with their shining stars, lead us, we pray, by the same stars that all who govern, teach, and learn in this University may, in true humility, find eternal truth.

O God, Light of the World, Eternal Wisdom that enlightens every man that comes into the World, grant that this University, as it teaches truth and light, may impart the full treasures of knowledge, and be in our land a shining luminary and inspire in the people a heart of wisdom, a pure mind and a true sense of justice.

Let us remember before God our Founders and Benefactors:

Great art Thou and very worthy to be praised, O Lord, Thou who art the almighty God of spirits and of all flesh! We render thanks unto Thee and praise for all those Founders, Benefactors and Teachers, who departed this life in Thy service. Having fulfilled their work on earth may they rest in peace.

And grant, O Lord, that we, encouraged by their example, may faithfully continue their good work.
