Dear Peter Sinclair,

Mohamed Tikly's letter to you, dated 9/02/89, concerning books to the ANC Student Orientation Centre and Institute of South African Studies, refers.

I was advised to give you details about sending the books and invoices.

Please, address the invoices to the following address:

The Finnish Library Association/Marjatta Saijets
Museok.18.A.5
00100 Helsinki
Finland

The book parcels should be addressed as follows:

Tanganyika Christian Refugee Service (T.C.R.S.)/Solomon Mahlangu Freedom
College Library
P.O.Box 3955
Dar es Salaam
Tanzania

Please, send the original airwaybill and proforma invoice to the T.C.R.S.

Copies of the above should be sent to:

The Librarian
Somafo Library
Box 680
Morogoro
Tanzania

We would also appreciate a telex informing us about the number of the airwaybill, flight no. and date of dispatch.

The above may sound rather confusing, but we have in the past had some difficulties in receiving our consignments, and, therefore, would like to ensure now that all the formalities are fulfilled. I hope this doesn't cause you too much inconvenience.

Thanking you in advance for your cooperation,

Yours sincerely,
