Comrade President,

Find enclosed a report on one thousand \$1000.00 U.S. Dollars the President entrusted me with.

The statement drawn from the receipts and vouchers submitted by Cde, Willie have totaled the amount of 55.450.00 meticals an equivalent of \$ 1.504.75 at the present-rate of exchange.

There has been no indication whether Cde. Willie still needs money for the same purpose.

I am ready for any instruction or advice on the matter.

Yours in the struggle

Robert Conco.
