5.4.2 After lunch the Sub-Committee reported back to the Planning Committee on the meeting held with Mr J Hall. In this regard the following was noted:

- * All the issues that were isolated in the Negotiating Forum meeting of 1 April 1993 had already been identified in the peace process;
- * A specialised group had been set up within the peace structures to strengthen the Peace Accord structures;
- * A formal meeting between the Planning Committee and representatives from the Executive of the Peace Committee (and possibly the specialised group) was proposed. This was agreed to. It was further agreed that such a meeting take place on any of the days that the Planning Committee is scheduled to meet.

The meeting adjourned for lunch at 13h00.

The meeting reconvened at 14h20.

5.5 Election Date

It was agreed that the proposal as submitted to the last meeting of the Negotiating Council on 30 April 1993 still stands.

6. Procedural Issues

6.1 New Participants

A report was presented to the Planning Committee by the Sub-Committee and after discussion the following was noted:

- 6.1.1 It was agreed to confine the discussion to the question of new applicants;
- 6.1.2 It was agreed to accept the report from the Sub-Committee with regard to the criteria for Political Parties and Organisations and to submit it as a recommendation from the Planning Committee to the Negotiating Council.
- 6.1.3 It was noted that M Webb gave notice that he would raise the issue of accepting new participants also on the basis of substantial support in
