Dear Mr. Gawe,

I wish to express, on behalf of myself and the entire staff of the South African Embassy, our warmest thanks for your participation at the Sung Eucharist and Prayer for Peace in our country.

As you can see from the enclosed article which appeared in "La Voce", a newspaper for the Italian community in South Africa, the service was a great success and we feel that it has certainly contributed towards our aim of making others aware not only of the need for peace in our country but also in all the countries of the world.

Whilst thanking you again for your support, I send you my very best regards,

Yew gawk?
