No. 2398 ..... Rnetonia,....Mamh.u.3o,.....1..989

Dear Dr. Mbeki,  
Further to your visit to my Ambassador in Cape Town on  
February 6, last, at which occasion you inquired whether a  
copy of the video on Anne Frank could be made available for  
you, I regret to inform you that this Embassy does not have  
same at its disposal. However, this Embassy is most willing  
to supply you with other videos relating to the Second Wbrld  
War. These videos, which have to be ordered from the Nether-  
lands Ministry of Foreign Affairs, unfortunately are only  
available in the Dutch language.  
./. Enclosed you will find a description on the relevant videos.  
In case you are interested, please let me know.

Yours sincerely,  
R.B. van der Gaag  
Second Secretary of Embassy
