Re: Luthuli Memorial Foundation

Dear Sir,

On August 16th 1978 we received your request to suspend for some time all pending donations to the Luthuli Memorial Foundation.

Just recently we got a letter from Mr E.Z. Sikakane, Director of Edendale Lay Ecumenical Centre, in which he requests us to transfer the contribution NOVIB has pledged for the scholarshipprogramme.

In this connection we would ask you to inform us whether the proposed structural and personnel changes within LMF have been changed in such a way that we can carry out the request of Mr Sikakane.

Meanwhile we remain,

Sincerely yours,

P.-.
