RE: Career Guidance

In order that the students of the Secondary School have a better understanding of the career opportunities open to them, you are requested to assist with briefings on careers.

The purpose of each briefing will be for you to give the students a clear idea of the various skilled and professional jobs available in your sphere of work, what minimum qualifications are required to train for those jobs and the duration of the training.

need for ANC cadres to train for skills and professions required by ANC Projects, such as those at Mazimbu and Dakawa. Kindly keep this in mind when you brief the students and emphasise the importance of certain skills for the development of our Projects.

A schedule of career talks has been drawn up and you are requested to glve your brleflng 0n IOOIC,,NQVOOQ.BODOODOOOI0a-t O...l%.OOQICIOCOC

Form III students will soon make their choice of optional subjects for study in Form IV and V. While the "streams" from which they can select subjectseme not yet finalised for 1986, it will probably consist of the following:

- a) Natural Science Stream: Physics/Chemistry/Biology/Integrated Science
- b) Social Science Stream: Geography/Literature
- 0) Commercial Stream: Accounts/Typing

Students in Form V have to make their choice of study for scholarships.
