P.O. Box 302,  
TORONTO.

Dear Comrade,

1. In accordance with the directives of the ANC Youth Conference held recently at SOMAFCO in Morogoro, the ANC youth in Addis Ababa, in collaboration with the Chief Rep., are working on a plan to launch a campaign to save the lives of the comrades who have been sentenced to death by the fascist Pretoria regime, as well as a "Free Nelson Mandela" campaign. We are working hand-in-hand with the Revolutionary Ethiopia Youth Association and we expect maximum support from the local mass media. For these campaigns we are requesting for the following items:

- a) Posters with photos of the comrades condemned to death,
- b) Posters with photos of Comrades Mandela, Sisulu, Kathrada, etc.
- c) "Free Nelson Mandela" T-shirts and any other ANC T-shirts,
- d) Any other material (pamphlets, stickers, etc) which may be useful in the campaigns. We hope to distribute petitions and to persuade people to write to P.W. Botha demanding the commutal of the death sentences, the granting of P.O.W. status to all captured combatants of MK, and the unconditional release of all political prisoners incarcerated in the fascist prisons in South Africa.

2. We intend starting an ANC Youth Library in our Office. Any suitable books will be most welcome.

3. For our Office we need photos of our leaders such as Tambo and Mandela.

4. In the near future we intend holding a Photo Exhibition to highlight the situation in our country as well as the heroic struggles of our people led by the ANC. Relevant photos and posters are most welcome.

5. We are also requesting for large political/geographical maps of South Africa, Africa and the world. They are very hard to come by in this country.

Your assistance in this regard will be greatly appreciated.

Amandla!!! Maatla!!! Power!!!
