Cde. Sidwell Khoza
Acting Coordinator
Development Centre - Dakawa

Dear Cde. Sidwell,

re: MACDONALD NTHOLENG

The above-mentioned is a former member of the PAC. He has approached the Chief Representative begging for membership. Due to his terrible experiences in the PAC the government has also pleaded with us on his behalf. His age also compels us to consider his application favourably.

Please ensure that he is accommodated and get the necessary orientation. Indicate to the relevant structures his presence amongst us.

Your cooperation and understanding shall highly be appreciated.

In this Year, of People's Action for Democratic South Africa!

Yours in the struggle,

MANALA MANZINI
CHIEF REPRESENTATIVE *
