BATLAGAE TRUST - J-L-p.o\$2x13?1fo\$f\$:s\$fq 2000 F:x(011)29-8007 8/9/93 Hans Burstmayr Director KFS/Co-Financing Office for Development Cooperation 1090 Viena, Tiirkenstrasse 3 Austria F X: 0 - -1-3 7 67 6 Dear Mr. Burstmayr, We are in receipt of your letter dated 18/8/93, together with the enclosures. Thank you. We have studied carefully the Agreements sent to us:-Agreement Part 1: Bursary Programme for Returned Exiles -. Primary , Secondary and Tertiary Education, KFS No.9320. Agreement Part 2: Bursary Programme for Returned Exiles -Primary, Secondary and Tertiary Education, KFS No.9320. Agreement Part 2: Bursary Programme for Returned Exiles -Tertiary Education KFS No.101. These are acceptable to us and have therefore been endorsed. We'd appreciate original copies of the Agreements when you have signed them. However, as regards Agreement, Part 2, No 101, although I have endorsed it, its implementation will depend on the agreement between KFS and SASET/ASCOP that the Batlagae Trust should take over these Programmes. We hope that the two organisations concerned do not feel that we motivated for their programmes and the Batlagae Trust will therefore feel comfortable if both organisations are happy with the transfer. . We have provided answers to the questionnare "Description of the Project partner" and our document is herewith enclosed. The Batlagae Trust appreciates the confidence placed on it by KFS

and affirms its commitment to undertake its responsibilities with dedication.

Your sincerely

Mohammed'r kly

1. This agreement is based on the contract signed between the Austrian Chancelieiy and KF
S
. concerning the execution of the project.
2. The KFS grants the project partner a financial support for the project mentioned above
amount of this support is fixed in the "Agreement Part 2". This amount shall be transferr
ed
by instalments after the project partner has signed the "Agreement Part 2".
Immediately after each transfer of money the project partner has to transmit an \ensuremath{\mathsf{I}}
acknowledgement of receipt, including a statement of the bank. which shows the sender,
the amount transferred (e.g. in US$. ATS) and the amount received in local currency.
3.3) The project partner commits himself to carry out this project during the period dete
rmined in
"Agreement Part 2", observing the principles of economy, efficiency and expediency and to
exercise due care and the necessary circumspection and expert knowledge. The project
partner has to set very great store by the fact that the prices and fees paid for goods a

AGREEMENT PART 1, PROJECT 9320-A, P.2/3

b) The project pattner has to attach to the equipments, installations and buildings which are

subject of the financial support an easiliy visible sign with the inscription "Supported by

funds deriving from the Austrian Development Cooperation" in the official language of the country.

4. The project partner shall keep books (accounting) concerning the project separately from

his usual business practice. These are the minimum requirements:

a) clearly organised registration of all incomes and expenditures in local currency and - if so ..

required in "Agreement Part 2" - in foreign currency.

b) Filing of all original documents, which have to be explained by the project partner, i n case

their origin is not self-evident.

- 0) Short statement on the document indicating its origin and use.
- . d) Forwarding of the original documents together with the semi-annual balance to the KF $\rm S$, if

required by the KFS,

5.a) The project partner agrees to render a report on the progress of the project every 6 months.

These semi-annual reports have to contain a description of the project and the progress of

the individual components of the project (as in Agreement Pad 2, point 4) as well as a se \min -

annual settlement of accounts (showing incomes and expenditures, accompanied by the collected receipts in chronological order)

- b) The description of the projects progress has to contain
- all project-linked activities and measures taken within the respective reporting period
- the results obtained by these activities and measures
- a judgement about the realisation in view of the projects objectives

The deadlines for the preparing of the semi-annual reports are June 30 and December 31 and they are to be sent to the KFS within 4 weeks thereafter. In case balances cannot be . prepared within this period, a date before June 30 resp. December 31 shall be fixed for the

accounting (financial statement - interim statement). However, the semi-annual reports must never be delayed.

In order to facilitate the reporting process it might be agreed upon that only a narrativ ${\sf e}$

report (a report regarding the progress of the project) and a statement of incomes and expenditures shall be prepared. which may be transmitted to the KFS by means of Telefax at the deadlines mentioned above. In this case the original documents shall be fowvarded on request on the part of the KFS at a later date.

6. Within two months after the conclusion date of the project the project partner has to render

a nnal summary report together with a final financial statement to the KFS. This report a lso

has to be drawn up as described in 5.b).

AGREEMENT PART 1, PROJECT 9320-A, P.3/3

7. The project partner agrees to afford access to tiles and documents on the premises of the

project partner to the KFS and the responsible person of the Federal Chancellery as well as

to give these persons any information they deem necessary and to prepare additional compilations with regard to the project and the statements if so required. Furthermore, the

project partner consents to an audit on the use of project funds by the Austrian Audit Of fice

(("Dsterreichischer Rechnungshof). Moreover, the project partner agrees that the KFS or the $\ensuremath{\mathsf{N}}$

Federal Chancellery or the person(s) authorised may make inquiries with regard to the present project at third parties or institutions. ..

8. The KFS is lawfully entitled to withdraw from this agreement, in case the project part ner has

failed to perform an obligation assigned to him without having to grant a respite, partic ularly

if

a) the project cannot be carried out or cannot be carried out in due time through the fau lt of

the project partner;

- b) project funds have been or are being misused;
- $\ensuremath{\mathtt{0}}\xspace)$ orders or conditions that safeguard the success of the project are not observed throug h

fault of the project partner or

d) it can be proven that reports or interim hnancial statements agreed upon beforehand or required in addition have not been forwarded by the project partner.

In case of a withdrawal on the part of the KFS because of facts stated above the project partner still has to prepare financial statements and has to perform all obligations deriving

from this agreement with regard to material and financial assistance that has been grante d.

In case of a withdrawal, funds or objects that have not been used correctly as well as funds

that have been misused have to be returned immediately .

9. Special agreements will be reached in "Agreement Part 2".
