Dear Friends,

We have just received a telex communication from ANC Youth Section in Lusaka that the North Korean Preparatory Committee failed to process the particulars of Steve Bodipe.

This unfortunately means that he is not on the list of ANC delegates to the festival and will not get a visa from the Embassy here.

We sincerely regret the inconvenience caused to you and express our appreciation to the Finnish Preparatory Committee for all its efforts on our behalf.

Please cancel the seat reserved for Steve on your charter flight. As we have already transferred 2500 FIM to your account to cover part of the cost of his ticket and have to return this money, kindly refund the sum to our account at STS Bank, account no. 710010 - 554750.

With fraternal greetings,

Mohamed Hussein  
Chief Representative.

Attention: Consular Section.

The bearer of this letter, Steve Setumo Bodipe, is an ANC member currently studying here in Finland at the University of Tampere.

Steve has been chosen to be one of the ANC Youth delegates for the forthcoming World Youth Festival.

We have secured a seat for him on the charter flight carrying the Finnish delegation which departs on 28th June 1989. He returns with the same delegation on the 10th July.

While in the Democratic People's Republic of Korea he will join up with the rest of the ANC delegation coming from Lusaka and be with this delegation for the entire Festival.

Steve is a political exile from South Africa and therefore carries a certificate of identity, no. 105503/88, issued by the Government of Tanzania. It also serves as his travel document.

We kindly request that the necessary entrance visa be issued to allow him to go and fulfil his duties as an elected delegate from the ANC.

The ANC assures the Embassy of the Democratic People's Republic of Korea of its highest esteem.

Respectfully,

Mohamed Hussein  
ANC Representative to Finland.

Dear Friends,

Thank you for your letter dated 18th May 1989. We are indeed grateful that you were able to reserve a seat for our delegate on your charter flight to the 13th World Youth Festival. In this regard, we wish to advise as follows:

1. The name of the delegate is Steve Setumo Bodipe, an ANC student studying currently at Tampere University.
2. We have thus far secured pledges of 2500 FIM to cover his ticket. We hope that the Finnish Festival Committee can appeal to Finnish Youth Organisations for the balance. (We have not contacted any youth organisations in Finland). The money we have raised will be transferred to your account in the next few days.
3. As far as the registration and participation costs are concerned, Steve falls under the ANC delegation and this will be handled by our Youth Section. In North Korea he will naturally be joining the rest of the ANC delegation and fall under its ambit.

Allow me, on behalf of the ANC Youth Section, to heartily thank the Finnish Festival Committee for its generous assistance on this matter. Your solidarity is greatly appreciated.

With fraternal greetings,

Mohamed Hussein  
ANC Representative.

Hyvät ystävät,

Suomen Festivaaliyhdistys kiittää saamastamme kirjeestä ja haluamme ilmoittaa että SFY on varannut ANC:n Suomessa opiskelevalle opiskelijalle paikan SFY:n charter-lennolle Pjongjangiin, Pohjois-Koreaan.

Kustannusten osalta pyydämme Teitä ilmoittamaan mahdollisimman pian kuinka paljon matkan hinnasta saatte koottua muilta tahoilta. SFY on omalta osaltaan valmis tulemaan mukaan kustannuksiin niiltä osin, mitä ANC ei saa koottua muuten. Lentomatkan hinta on 5.400 Suomen markkaa. Hinta pitää sisällään ainostaan edestakaisen lennon välillä Helsinki - Pjongjang - Helsinki.

ANC:ta pyydämme hoitamaan itse ko. henkilön rekisteröinnin festivaaleille ja siihen liittyvät rekisteröinti ja osanottomaksut, joista oheisena festivaalien valmistelukomitean ohjekirje.

SFY:n työvaliokunta, joka koostuu eri nuorisjärjestöjen edustajista, käsitteli asiaa ja päätti asiasta edellä mainitulla tavalla. SFY:n työvaliokunnassa edustettuna olevat nuorisjärjestöt ovat tietoisia ANC:n heiltä pyytämästä tuesta ja he ottanevat Teihin asiasta yhteyttä.

Tulemme esittämään seuraavassa SFY:n 61 jäsenjärjestölle lähetettävässä kirjeessä vielä erillisen vetoomuksen avun saamiseksi matka- ja kenties myös osanottomaksuun.

ANC:n tulisi ilmoittaa ko. opiskelijan nimi ja oheisessa esitteessä pyydetty henkilötiedot mahdollisimman pian. Voisimme myös järjestää tapaamisen erikseen sovittavana ajankohtana asiasta.

Jäämme odottamaan yhteydenottoanne

Toverillisesti

Dear Friends,

ANC students studying in Finland are currently engaged in preparatory discussions on the forthcoming Youth Festival.

These discussions are aimed at contributing to the overall preparations initiated by, and under the direction of, the ANC Youth Section Festival Preparatory Committee based in Lusaka.

Our students have expressed a desire to have a mutual exchange of views and ideas with Finnish counterparts similarly engaged with preparations for the Festival.

Please consider this possibility and if it meets your approval, we can then ask our students to contact you directly to discuss the matter further.

With Fraternal greetings,

Dear Friends,

The ANC's Youth Festival Prep. Committee has selected one of the ANC students studying here in Finland to be part of its delegation to the coming Festival.

They have also instructed our office to request the Finnish Prep. Committee to kindly consider including the delegate from Finland, still to be chosen by the students here, in its charter flight to North Korea.

Appreciating that there are costs involved, we would ask the Finnish Prep. Committee to appeal to Finnish Youth Organisations for assistance. Our office will also approach other organisations to help raise some of the required funds.

We eagerly await your response and, if positive, what proportion of the cost can reasonably be secured from the Youth Organisations.

With fraternal greetings,

Mohamed Hussein  
Chief Representative.
