The Regional Preparation Committee,
Harare.

24 October 1990.

Dear Cde. Chairperson,

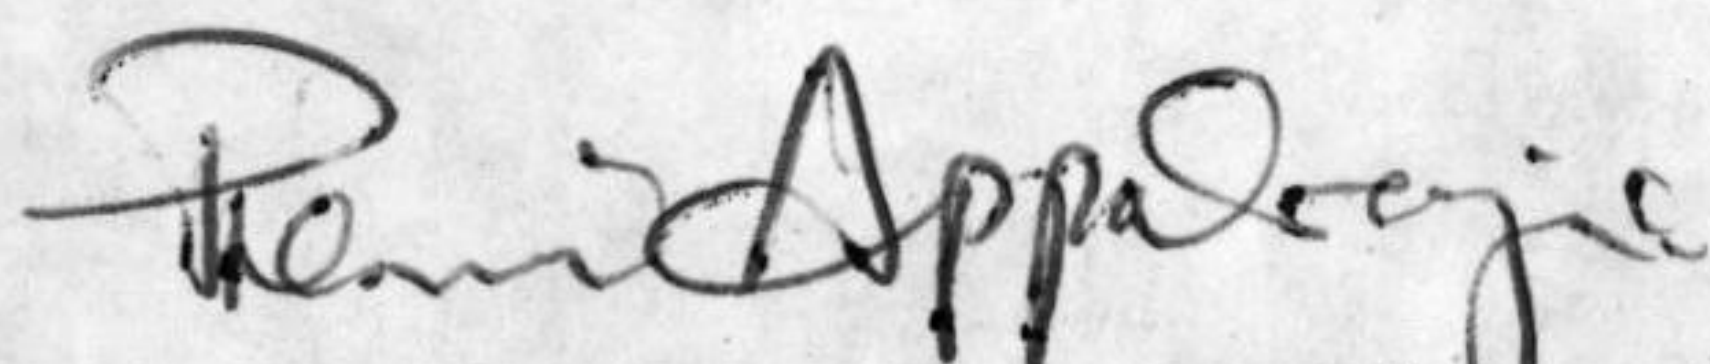

A regional preparation committee was elected at the general meeting held on the 21st October, (Sunday). The task of this committee is to ensure that the region meets regularly and discusses the topics on the agenda towards National Conference.

The Committee met yesterday and it was proposed that we request a meeting with you to request resources towards the above task. We planned that the meeting would take place as seminars on four to five consecutive weekends starting from the 11th and 12th November.

As we are still in the process of trying to book hall space ect., we do not yet have an estimate budget. As we view this task as being urgent we hope to have the budget drawn in the next few days.

We look forward to your usual co-operation in this matter.
AMANDLA!

Yours sincerely,

Premi Appalraju (Secretary)
