Dear Pethu,
Thanks for your letter - glad to hear you are back safely - baggage and all!!
I have just rung Dillons, as I had not heard from them or you. They are
air mailing the books direct to you at Somafo. With XMas post, I guess it
could take up to one month - please advise me as soon as you receive them.
Tim J. rang me from IDAF a while ago re. your thesis - I checked his name
with Ethel, and then gave it to him!
Do please keep in touch with us re. Somafo's adult education work and needs -
we are ready and keen to assist in any way we can.
All the best for the New Year.
