Dear Comrade Fatima,

This follows the verbal report submitted by me and the Deputy Representative with reference to the discussions that took place between myself, the deputy rep., and comrade Zuby in the ANC(SA) offices on Thursday August 10th from 3.30 p.m to 5.15 p.m.

The following points were raised by Comrade Zuby:

1. New Structure: That the structure applicable for ANC(SA) regions handed down by Hq was acceptable including the adjustments for adaptability to Canadian geographical conditions. However, with reference to the persons serving from the Toronto Unit, she stated that it appeared to her that the elections were "rigged".
2. Chief Representative: While she politically accepted the decision of Hq Rto retain comrade Yusuf Saloojee as chief rep, she felt that his actions in recent weeks have become dictatorial:
"You act like a dictator and those around you, your supporters have become puppets."

A number of other matters were discussed, such as problems within the Women's section, the isolation of members in the Toronto Unit as a result of the new structure, increasing disunity, etc. However I felt it essential that I should bring the above two points to the attention of the RPC as they are serious allegations.
