Dear Mr. Borman,

I acknowledge with deep appreciation and sincere thanks receipt of your letter to our President, Oliver Tambo, recalling your meeting on a blizzardly evening in New York. I am sure the President will remember the occasion.

I am certain you are aware that Gandhiji is a household name in our country. His work in the mobilisation of the oppressed people of our country was so immense that he is frequently qusted by the forces that are struggling for the eradication of eveil apartheid system.

Your prayers will certainly give us strength in our difficult task of creating a united, non-racial and democratiq South Africa.

Yours sincerely,

Anthony Mongalo  
Secretary For Presidential Affairs.
