German's Ceremony 3/3/1997.

It is Good to own All what God have created a them Just Looking at it.

World war Two of German's Ceremony it is a Remembrance of their war masters with they did not know that they will die for what they were there for.

their Demand to Rule the world that time, a nother Coinc of Demand partly they were not recognised, God created the world on his own become his Book Palace Painted Picture ect.

then, when German's recognised God's Creation and peace marking, they have said one Government must Rule the world, Creation of peace on All human being existing in God's world, they should have acted on training human being to understand one God.

oils on masonite board
