Dakawa.

RE: request for cde, Pat KHOZA

Dear Petri

The dept of Arts and Culture is hereby asking your good office to allow the above named comrade to be made available for the coming preparation for a repatriation festival and to cover some of the invitation extended to us from the locals.

The D.A.C. therefore hopes that the above named comrade will be made to receive his dues at the end of the month since he will be involved in another work of the organization.

We hope your co-operation will make our activities a success.

Yours Sincerely,

Head of the performing arts

Joe Motsitsi
