HOW does she do it?" her friends ask.
The answer's simple. She knows the value of vigorous circulation in maintaining glorious, vibrant health. She achieves this in a quick, pleasant, yet positive way, right in her home, by using the

VIBRATO-MASSEUR

The gentle, vibratory massage which this scientific machine gives to any part of the body, speeds up circulation wonderfully, removes fatty tissues, builds solid flesh,, tones up nerves, stimulates vital organs and relieves stubborn, chronic ailments.

Its results in cases of obesity, constipation, nervous weakness, aching feet and many other troubles, are little short of marvelous. Used over 10 years by leading doctors, health institutes, and men and women active in business and social life. Write for statements of prominent users, and complete facts about this established, proven method of health building and preservation.
