African National Congress  
LUSAKA

Dear Cde Awolo,

### LOGISTICAL SUPPORT FOR RETURNED STUDENTS FROM NIGERIA

We would like to inform your office of the presence in this region of the three undermentioned ANC students from Nigeria. We would like to request that logistical supplies and all other benefits of membership accruing to them are arranged for them.

#### DESMOND SHANGASE

He has come to region to attend the funeral of his late father. He would be in the region for not more than a month. He is a student in Nigeria.

#### HOPOLANG MATSELA

She was a student of accounts in Nigerai. She has had her studies unceremoniously terminated by the University owing to sponsorship problems. She is here in the region to brief the Department of Education on the unsatisfactory political climate of students in that country. At the same time the DOE is making arrangements for her placement in a suitable institution.

#### INGWAPELE SILWANE

The comrade has been returned on reason applicable to H. Matsela above. He presently resides at the old Makeni DIP residence, whilst awaiting finalisation of arrangements for his continued schooling.

We do think that you will find it possible to treat the matter as urgent, for infact it is urgent. We thank you in anticipation of your co-operation.

In the year of United Action for People's Power!
