Dear Comrade

It was delightful to have Adelaide here when Comrades Nelson and Winnie were here last week. I thought that I should let you know that not only are you held in very high esteem but that every reference to you at all public functions raised very loud cheers. We all love you very much and hope that it would be possible for you to visit us before you leave for South Africa.

Similarly, when I went to South Africa for the meeting of the ANC Constitutional Committee, everyone asked me about you, especially in Cape Town where I spoke at the foundation meeting of the ANC branch and in my home town. I enclose a copy of an impressionistic article x wrote for the Irish Times on my return to give some insight of my first visit in over 30 years.

Nathaniel Masemola sent me a copy of his letter to Zola Skewiya on future options for our Committee. As you have taken such a close interest in our work, I sent you a copy of my reply which

I would very much like to discuss with you. However, as I told you in my last letter, I have tried not to disturb your recovery by visiting you in Sweden. On the other hand, I have not yet been in London since you returned from Stockholm. However, I hope that it will not be long before we can talk to each other.

With all our good wishes to you,
Yours respectfully
