Dear Cde Tambo,

Re: Conference on 'SADCC's Future: Europe's Role' 28 - 31 March 1988

A conference organised by the Parliament of Zimbabwe and the Association of West European Parliamentarians for Action against Apartheid (AWEPAA) will be held in Harare from 28 - 31 March 1988.

The main objectives of the conference will be to analyse the various forms of co-operation between SADCC and West Europe. It will afford West European Members of Parliament the opportunity to acquaint themselves with first hand information on SADCC projects and problems faced by SADCC. It will also afford you the opportunity to update European MPs on the current activities of your organisation.

The conference will be attended by 50 MPs from European parliaments and 50 from SADCC countries. All travel and accommodation costs will be borne by the Friedrich Ebert Foundation.

I shall be most grateful for an early response so as to enable us to make the necessary arrangements for you.

With best wishes.

Yours sincerely,
