Dear Mr. Luke,

Mr. Sisulu is out of Johannesburg at present and I will be off next week so I am not sure if he will get your message about wanting an appointment.

In any event, I should tell you that visits to his home are not encouraged and it will be necessary for you to write again and let our office know what it is you wish to see Mr. Sisulu about. Only then will we be able to consider giving you an appointment and it will have to be at the office if he does agree to see you.

With thanks

Yours sincerely
