BEI Invitation from Prime Minister of Singapore

Dear Comrade Nelson Mandela,

Receive our warmest greeting from Japan. During my visit to South East Asia in May-June this year, I had an opportunity to meet top officials in both Malaysia, Indonesia and Singapore.

This morning the Singapore Embassy in Tokyo delivered to our office an original invitation extend by Prime Minister Lee of Singapore.

We hope you can still manage to visit Asia-Pacific in the fall. However we fully understand your heavy schedule and engagement at home.

Looking forward to seeing you in Japan.

Anandla!

Jerry Matsila
