MEMO ON URGENT TASKS JUNE 22nd 1984

The following have to be carried out urgently:

1. Somebody has to be allocated to carry out research on on manifestations of inter-bantustans conflicts.
- 2.* As the first stage to a very important project relevant factual documentation needs to be put together on 'hot issues' in relation to education, the cost of living and mass removals.
3. The whole register of doctors and nurses has to be obtained - three letters have been received from HQ requesting this. A suggests you contact Fluxman as suggested.
4. The work requested on Projects needs to be completed i.e. list, personnel and description.
5. The analysis of how the tri-cameral parliament will works has to be forwarded.
6. The document requested on recent hearing in the United States.

* This one has strict time limit.

1) ANC / SACP.

Over last - few years all information
on ANC by

- STATE apparatus (including opposition) = army
police
politburo.
- Media.
- Foreign govt.
- Other "resistance" forces.

Basically mutually damaging with

- * - ANC strengths & weaknesses (eg divisions, ~~stagnation~~)
- ANC strategies & tactics.
- * - Assessment of ANC Armed activities eg. S. Leakey
propaganda
press
to group
Williamson.
- * - Black propaganda - keeping of J. S. ...
SLOJO etc.
- * - Request - ANC talks. →
- ANC - SACP. Relations.

Put together

- Post - intimate developments
- update Africa - Confidential project.
- (want of one copy of first report).
