17th September, 1980.

Dear Comrade Alfred,

We have pleasure to report that Comrade ZOLILE NQOSE who has been following a course of study in London, under the sponsorship of UNESCO, leading to the Diploma in Television Direction and Production has now completed. He has since returned to Dar es Salaam.

Comrade Nqose is awaiting an assignment from the Organisation. We are naturally pleased by this gesture of commitment on his part. We are not aware as to what special duties he could undertake at the moment.

Alternatively, Comrade Nqose informs us that there are possibilities for him to practise his new skill in Zimbabwe. There is in fact an open invitation to him from a friend of his. Nevertheless, we thought that it might be better if the Organisation entered into a formal arrangement with the Government of Zimbabwe on this matter.

Please let us know what your views are in order to enable us to reassure the Comrade of your interest.

Incidentally, there is also Comrade JAMES NYATI who also completed the Special Overseas Diploma of the London School of Film Technique in March 1973. He too needs to be given an assignment in his field of competence. Happily, he has stopped completely from indulging in strong beverages. The Organisation should act pretty early so that the Comrade is not exposed to the dark cloud of frustration and demoralisation.

Comrade Maindy Msimang,
ANC Office,
Tanzania.

Dear Comrade Maindy,

We are in receipt of your lectures dated 17th September 1980 in which you request the movement to consider the deployment otherwise employment of Comrades ZOLILE NQOSE and JAMES NYATI.

The Working Committee considered with cares in the following manner. Comrade Nqose/Wilson Mswayi will be considered for employment by our local Television. Enquiries will be made with the local Authorities to determine whether this is possible. The situation in Zimbabwe is still too delicate and the movement has made this area a restricted one.

Comrade JAMES NYATI; known as Macky is being considered for engagement by our Department of Information and Publicity in an intended film unit attached to it. Again the department will be approached for finalisation of the matter.

Amandla - Maatla.

Administrative Secretary.
