Dear Mr. Mandela,

I have recently spoken with Frank Ferrari and he tells me that he raised with you and your Washington representative an invitation from the President Carter-Menil Foundation to visit Houston, Texas, on December 7/8, 1991.

If you were able to visit the United States at that time, we would gladly arrange for your Heinz Fellowship Lecture at the University of Pittsburgh to take place either before or after the Texas event. I know there would be a great deal of national, political and media interest in a visit by you to Pittsburgh since this Fellowship Lecture has always been associated with prominent world leaders.

I look forward to hearing from you.

Sincerely,
