J.J. reported on meeting. IRefer to report of meeting of  
08/07/891.

Discussibn followed on whether the ANC should issue invitations  
to meeting of Presidents, and these points were made:

(a) We should address ourselves to the other Presidents through  
the Joint Committee.

(b) The envisaged meeting is ode of representatives of various  
sides led by respective Presidents.

(c) The three organisations had agreed to inform the ANC (about  
their meeting). We ought to respond to them (the joint  
committee) by saying we are prepared to participate and leave  
the question of invitations to the Joint Committee.

(d) We ought to be clear on: GB position. He has always  
wanted to ride on the ANC. If ANC were to invite him,

I n

1. C.C. members of SWAPO have been assigned areas throughout the country. (e.g. Ben Amatilla in northern 'war zone'. General mobilisation for SNAFU support but will not necessarily contest all constituencies.

2. SWAPO Election Manifesto released 2nd July at a rally of 30,000. ( a copy was ceremoniously presented to Cde President).

3. The A.G. was surprisingly cooperative on SWAPO importing vehicles and goods (if not new) without customs. Everything must strictly be non-military. All cadres are in civilian clothing.

4. PLAN will move intact immediately after the elections. Leadership will return in groups at intervals. President Nujoma will be in the last group just before the elections.
