Dear Friend,
HAPPY NEW YEAR!

The Japan Afro-American Friendship Association (JAFA) greatly values your involvement and looks forward to your econtinued participation through renewal of your membership or becoming a new member.

JAFA strives to maintain its goal of promoting friendship and . mutual understanding between Japanese and the Black community in Japan. This year JAFA will celebrate its 12th anniversary, and is looking forward to welcoming more members, including those of you outside the immediate Tokyo area, Kansai (JAFA Kansai), and across the Pacific.

Annual membership dues are Yen 10,000, while overseas memberships are Yen 5,000 or the equivalent in U.S dollars. Your membership will entitle you to a membership card, all JAFA newsletters and announcements filled with valuable information and listings. For those who are unable to participate in monthly activities, donations are accepted and will be acknowledged in the newsletter. Any financial support is greatly appreciated and goes directly towards operating expenses.

The strength of the organization depends on the active participation of friends like you! If there is any information you believe would be valuable to our membership, don't hesitate to share it with us as we are always open to suggestions. This .promises to be a great year, as we close the doors on a very active and well attended 1992, so be a part of 1993 and become . involved. Thank you again for your interest and support.
