Dear Mohammed,

Thank you for your letter dated August 21st, which arrived at our office last week. '

I'm afraid Kier and I have been unclear about the destination of the 5000 Guilders which came from the Wagenings Lyceum. In consultation with Liivha School, Batlagae Trust and the AABN, the Wagenings Lyceum decided to earmark the money for bursaries (of 1000 Rand each) for pupils of Liivha School whose parents struggle to pay the minimum fees. Through the Batlagae Trust we received the names of the pupils who would benefit from these bursaries. Anne Hilton knows more about the communication we had about this matter.

So would it be possible to inform Liivha School about the . proper destination of the money? And can you please acknowledge the receipt of the money once again, with the proper destination, in order to send a copy to the Wagenings Lyceum?

I want to apologize for the annoyance this matter gives you.

I hope you're doing well. Warm regards, also from Kier,
