Dr Frene Ginwala

ANC Research Department

Dear Frene

150TH ANNIVERSARY - DONATION OF BOOKS

Further to our recent meeting, I would like to confirm that Mr Nicholas Byam Shaw - Group Chairman of Macmillan in London will be in Johannesburg on Tuesday the 26th of October, and he would like to take the opportunity of formally presenting the reference books to the ANC Research Library.

You very kindly suggested that you would arrange for a senior official in the ANC, either Mr Walter Sisulu, or Mr Thabo Mbeki to meet with Byam Shaw and formally receive the books.

Byam Shaw will only be in Johannesburg for one day, and as he would be driving from Swaziland on the morning of the 26th, he will not arrive in Johannesburg before 11:30 am. If it is at all possible, we would like to request that the presentation should be made

at 12 o'clock, obviously to suit the ANC. Mr Byam Shaw will be departing on the evening flight back to London.

We have arranged for a Public Relations firm to manage any press and media publicity, and once we have established with you to whom we will be presenting the books, I would like to advise our PR people so that they may liaise with you directly and establish with you what sort of publicity you would like out of the event.

Once again, many thanks for affording us the opportunity of gaining some media publicity in this regard.

Yours sincerel

/
