Dear Bishop

Please find enclosed a copy of a self-explanatory fax from the EC. We hope they will convey their final decision to us by the end of December next.

In the meantime we need, urgently, another bridging loan of say £30 000 - £50 000 from Christian Aid, if they will. We have good reason to expect funds within the next ten days from a major donor, but we need a bridging loan urgently. The donor gave the undertaking to us in Mr Mandela's office, with Mandela in the chair, last Friday.

SIDA will continue funding us at the present level during the 1991/92 academic year. Their next cheque to us (£120 000) is due here in January 1992.

Two senior UNESCO staff are currently in Lagos, sorting out finances of our people there.

Best regards.

Yours Sincerely

N. M. Masemola

For the attention of Mr. N.M. Masemola, Director

Subject : Budget line 7-5071. Application for 1991.

We are glad to inform you that we decided to include the Luthuli Memorial Trust in the next list of beneficiaries out of this budget line. This list will be submitted for approval to our Vice-President M. Marin and you will be informed in due time about the outcome of the procedure and about the amount which will be allocated to your organisation.

Please keep in mind the following rules which should be followed by you when granting funds to students :

- beneficiaries should be victims of destabilisation in the region
- no training in South Africa funded under this budget line
- training to be followed preferably in the region (the near region if possible to reduce the costs)
- training in the UK in very well justified cases i.e. students completing their studies in the UK or in cases where the followed training is not available in the region. In this case the agreement of the Commission must be obtained.
